

To Whom It May Concern:

I've had the pleasure of knowing with Derrick Peters both professionally and personally for more than five years, and I would like to recommend him without reservation for anything that he is seeking.

I have worked with Derrick while he has performed three different roles at two separate companies, and have witnessed firsthand the determination and drive to learn and be the best he can be. Derrick is one who sees the big picture in the business world, and has the creativity and resolve to succeed at anything placed before him.

Derrick also possesses a great personality and a great sense of humor. He strives to maintain a strong balance in his life, pursuing many recreational activities outside of his professional endeavors. This well rounded approach to life enables Derrick to keep life's challenges in check as he strives to be the best he can be.

It is for these reasons that I know Derrick will be a tremendous asset for your company. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,

Cody Rossen
